

In 2020 the Spooner family celebrated a 150-year legacy in the community by donating a welcome area and sign situated on the shoreline at Lake Avenue and Lakeshore Drive. The sign doubles as a bench with landscaping and flowers. This is the perfect place to enjoy the views, snap a photo or take a break and unwind. The bench is 14 feet long and double-sided to hold several people at once - looking north up the classic Lake Avenue vista, or south over the entire lake. The design was created by Storm Lake artist Jennifer Felton

Sunrise Park - Located at the eastern-most point of the Hike & Bike Trail, Sunrise Park is home to Storm Lake's Sunrise Campground, municipal 9-hole golf course, volleyball courts, frisbee golf course, and swimming beach.

Chautauqua Park - Chautauqua Park is located along Lakeshore Drive, and hosts among other features two rock jetties which are perfect for fishing expeditions. Out on Chautauqua Point you will notice a massive anchor which was secured from a U.S. Navy fighting ship. Other attractions within the park include: tennis courts, playgrounds, and a picnic shelter. At the, western end of the park visitors will find the "Buddy Monument" dedicated to those who served in World War I and II. Further west still is the "Old Pioneer" a popular statue which gazes westward towards Sunset Park.

Sunset Park - Unique to Storm Lake and to Sunset Park is the Living Heritage Tree Museum dedicated to planting trees associated with famous individual or events. The park is located on Lakeshore Drive just west of Chautauqua Park. Also available at Sunset Park is a band shell, playground, restroom, and many shady benches.

Circle Park - Picnic areas are the main feature of Circle Park, but it also offers extraordinary views of the lake and the campus of Buena Vista University, home of the beavers! The park is just south of BVU's football stadium.

Frank Starr Park - Offering volleyball courts, picnic shelters, rest rooms, playgrounds, and plenty of open spaces for games, Frank Starr is a park with something for everyone.

ENJOY

The City Beautiful first hand as you travel along the Hike & Bike Trail.

STORM LAKE

HIKE & BIKE TRAIL GUIDE

EXPLORE

The Storm Lake Hike & Bike Trail consists of a network of linked pathways, providing a safe trail system for walkers, joggers, and bikers. The trail connects Lakeside to many of Storm Lake's parks. Approximately five miles long, most of the trail runs adjacent to the lake.
